#### **Editors' Notes**

#### **LEGISLATIVE NOTES**

Revisor's Note ([Acts 2003, c. 5](#)):

Subsection (a)(1) of this section is standard language added to state expressly that which only was implied in the former law, i.e., applications may be made only on the form that the Secretary provides.

Subsections (a)(2) through (d) of this section are new language derived without substantive change from former Art. 27, § 442(g), (h), and (f)(1).

In subsection (a)(2) of this section, the former reference that a firearm applicant pay a fee of \$10 “with the application” is deleted in light of the reference to an “application fee”.

In subsection (b)(3)(vii) of this section, the former reference to mental “disorders” is deleted as included in the reference to a “mental disorder”. *See* Art. 1, § 8 which provides that the singular always includes the plural unless the construction would be unreasonable.

In subsection (b)(3)(ix) of this section, the reference to an adjudication for an “act” that would be a disqualifying crime “if committed by an adult” is added for consistency with § 5-306 of this title.

Also in subsection (b)(3)(ix) of this section, the reference to “if” under the age of 30 years is substituted for the former apparently erroneous reference to “is” [under the age of] 30 years to avoid the mistaken interpretation requiring an applicant to be under the age of 30 years to be eligible to purchase a regulated firearm.

In subsection (b)(3)(x) of this section, the former reference to “an application made on or after January 1, 2002” is deleted as obsolete.
